

Artemest presents *L'Appartamento* at Fuorisalone 2023

For Fuorisalone 2023, Artemest, the leading marketplace for Italian luxury craftsmanship, presents *L'Appartamento*, an elegant 1930s Milanese apartment curated by six prestigious international interior design firms. Each studio will design a room using Artemest products, all exclusively designed and made in Italy.

L'Appartamento will be located in Via Cesare Correnti 14, a historic Milanese building in 5Vie, home to many craft workshops and a reference point for cutting-edge design. This unique location, characterized by its evocative 1930s aesthetic, provides the perfect backdrop for the interior designers to showcase their distinctive creative visions and celebrate Italian craftsmanship from their own perspective. Each interior design studio will design a room of the apartment using furniture, lighting, home décor and art selected among top tier Artemest artisans. Desire and old-world glory are hallmarks of a location that will host dreams and provoke longing for a way of living that is still within reach.

Entering the apartment visitors will be greeted by the yellow and blue light that filters through the colored glass windows. The elegant hallway will lead to the entrance, the living room, the terrace, the dining room, the bedroom, and the study. Experience *L'Appartamento*, a discovery of the finest Italian craftsmanship, through the creative visions of Anne-Sophie Pailleret, Kingston Lafferty Design, MONIOMI Design, Nina Magon, Styled Habitat and T.ZED Architects.
