## ISLE LOUNGE

---

Isle Lounge is an iconic piece of furniture, a sofa large enough to seat several people in eclectically stellar comfort. It dropped down to us from planet space, on its dedicated trajectory to architectural practices and private clients who appreciate furniture with a strong conceptual background constellation.

## DESIGNERS

---

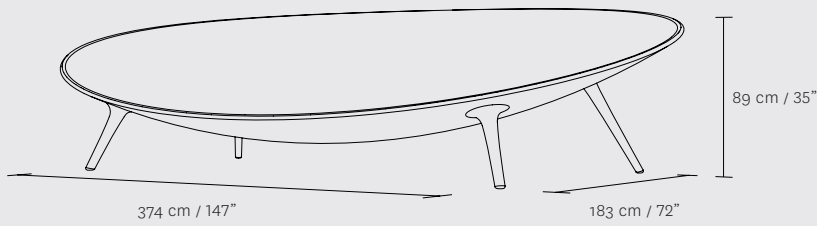

Asobi is a design studio established by Gorazd Malačič in 1999. The studio made its international debut in 2005 at the London Design Festival with their prototype of the spellbinding Isle Lounge sofa. In 2006, Asobi received the Design Distinction (Silver) Award in I.D. Magazine's 52nd Annual Design Review for their fluid, futuristic Gwig LED luminaries. In 2014 Carbon Light, a high-performance modular LED suspension light, was selected as a finalist in lighting products at the Architizer Awards. Totem is the latest and newest in a series of extraordinary products designed by Asobi.
