

Affreschi & Affreschi will be at Fuorisalone 2022

From June the 6th till June the 12th **Affreschi & Affreschi will take part in Fuorisalone 2022**, displaying its production line during the event **Superdesign Show** in Superstudio spaces located in **Tortona District**. On this occasion the **textured wallpapers artisan company** will display a series of exclusive wall designs created by artists and designers, each of them representing the recently launched Affreschi & Affreschi **auteur collections**, with a particular focus on **Venus collection, designed by Milo Manara** which celebrates female beauty. The artist from Trentino will be present at the Apulian company's installation during an **event worth discovering**.

The novelties conceived for Milano Design Week will run through a fil rouge whose starting point is the theme **Women and Design**, in line with the main topic of Superdesign Show 2022. In fact, in Affreschi & Affreschi exhibition space located in Superstudio, designs from *Tailor* collection, created by **Studio MILO**, will alternate with the *innerLine* and *Recon Series*' graphics drawn by the Valencian artist **María Dalli** and the Berliner artist **Simone Florell**.

The icing on the cake will be the preview of Affreschi & Affreschi new collection, **designed exclusively by Fabio Novembre**.

A made in Italy production line with an international scope that celebrates **beauty as a lifestyle**.
