

## **Nom d'une pipe !! For Bon Bon**

### **Description**

*Nom d'une pipe !!* is an object to bring the bill to the table after a successful meal.

The Bon Bon Chef Christophe Hardiquet asked me to think about some scenarii regarding how to bring the bill. "*L'addition, s'il vous plaît*".

*Nom d'une pipe !!* is a Belgian expression that communicates surprise, astonishment.

The bill is thus rolled into the brass pipe expressing the smoke, the lightness and delicacy of the moment. Inside a the ebony box is a high quality graphic *thanks* card.
