# Mou Collection

design studioPANG

Mou means softness, functionality and comfort. The collection is defined by a graphic silhouette, generous volumes and a wide range of colors and dimensions which allow the user to obtain any possible configuration. A family of ottomans, at once attractive and iconic, Mou gives a casual touch of comfort in both contract, private or community area, and residential environments.

Mou is available in different measures, always in a round shape, with 1, 3, 5 or 7 seats, offering a wide choice of fabrics. Moreover the collection includes also the possibility to add a side table to any pouf, directly fixed to its structure.

**Low Edition**

All products are also available in a low version, where every pieces offer a set of 5cm legs and where the upholstered volumes become bigger and softer.

**Deluxe Edition**

A special version which enrich the product perception, by introducing a metal ring on the base of the padding. An elegant solution for a more refined and accurate environment.
