

**STEFANO OLLINO**  
**DESIGNSTUDIO**  
& PARTNERS

WE ARE AN **AWARDED DESIGN STUDIO** WHICH FOCUSES ON **PRODUCT, FURNITURE AND PHYGITAL DESIGN.**

WE ARE A MULTIDISCIPLINARY AND **INTERNATIONAL** TEAM BASED IN **TORINO** (ITALY), **XIAMEN** (CHINA) AND **DUBAI.**

**WE DO BELIEVE IN "DESIGN STORYTELLING"**

*"A PRODUCT IS NOT JUST A SHAPE, IT IS A STORY WHICH HAS TO BE TOLD, A GOOD REASON TO START A CONVERSATION."*

## FOUNDER

### STEFANO OLLINO

*"I'm in love with China, it was the first country which believed in my designer skills and which continues to be the primary source of business for our design studio today.*

*I define myself as a "grandson" of minimalism from the 60's but also as a "son" of Pop Icons from the 90's"*

Born in 1986, BA Industrial Design at the **Istituto Europeo di Design** Torino (I.E.D. Torino) with special interest in the field of furniture and product design.

He has developed his thesis project in partnership with **Brionvega** and with Paolo Trevisan, Chief Designer of **Pininfarina Extra Design**, as thesis supervisor.

His first work experience, only a few months after graduating, brought him to **Xiamen**, collaborating with the **Solex Co.** where he designed and developed a line of electronic faucets that won the international **IF Design Award China 2009** and the **RED DOT Design Award 2010**.

Few months after returning in Italy he starts various collaborations outstanding entrepreneurial and public relations skill, that allows him to work swiftly in different creative fields (web, graphic & furniture design), until finally arriving to the realization of his dream: opening an independent design studio.

From 2011 he develops an academic experience at I.E.D. Torino as Presentation and Representation Techniques Professor.

In July 2012 he holds a seminar about the Italian Lifestyle at **XMUT (Xiamen University of Technology)**.

In 2015 he has been selected to be part of the **Nanjing Design Week** as an exponent of **Italian Design**.

From 2015 he is Furniture Design professor at I.E.D. Torino.

He also ran the Digital Design Studio **TRUE FLAVA**, a design studio with focus on developing web and mobile products such as website, app and UI/UX Solutions.
